

E-mail me the answers (in your own words, of course) to these questions, in any format, prior to your next class period:

- 1) From reading the short excerpt on page 266 of your textbook titled "Cultural Geography", describe "cultural geography".
- 2) From reading the short excerpt on page 266 of your textbook titled "Cultural Geography", why does Europe have such a rich cultural history?
- 3) From reading the short excerpt on page 267 of your textbook titled "People", what kinds of problems might an aging population cause in the future?
