

Geography – Europe

For this assignment, you will need the two small maps centered on page 271 and the current, full page map on page 270 of your textbook. Using those resources, answer the questions below.

- 1) List two countries that existed in Europe in 1914 that did not exist in 1935.
- 2) List two countries that existed in Europe in 1935 that do not exist in 2014.
- 3) List four countries whose borders are the same in 2014 as they were in 1914.
- 4) List at least three countries that are on your current political map of Europe (that you're studying for your map quiz on Tuesday) that were not on the 1914 map.
- 5) In 1914, Austria-Hungary was made up of parts of which present-day countries?
- 6) Using the current map and the 1914 map, list all former Russian territories that are not sovereign nations.
